Thank you for
purchasing the
VRocker!

Welcome to the world of interactive audio. With your new VRocker you can not only hear your music but actually feel it. Whether you are listening to music, watching a movie, or playing a game, you will become a part of it.

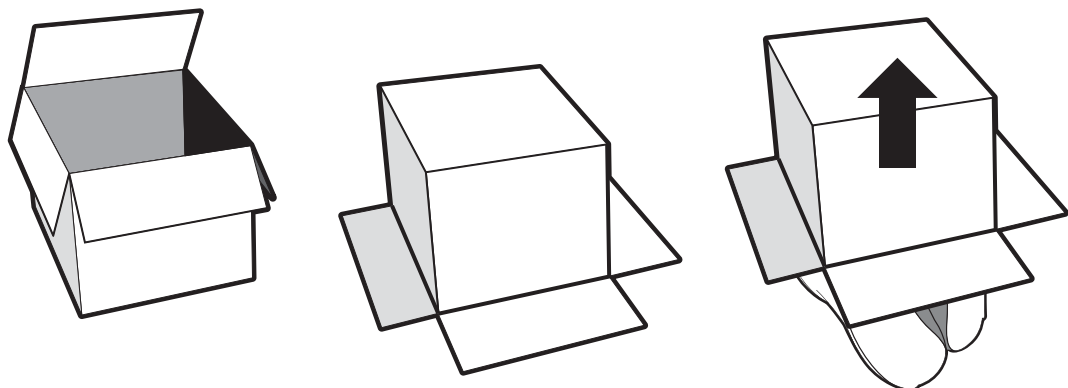

Get ready to experience sound as you never have! We know you will enjoy your VRocker experience as much as we do.

CAUTION: IF YOU ARE EXPERIENCING HEART RELATED PROBLEMS, PLEASE CONSULT WITH YOUR DOCTOR BEFORE USING THIS PRODUCT.

V ***Rocker™***
don't just sit there. start rocking!

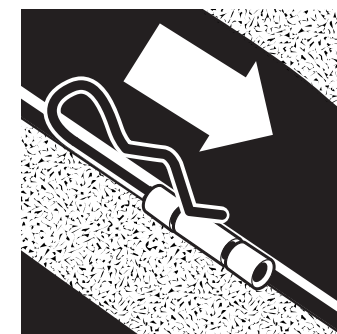

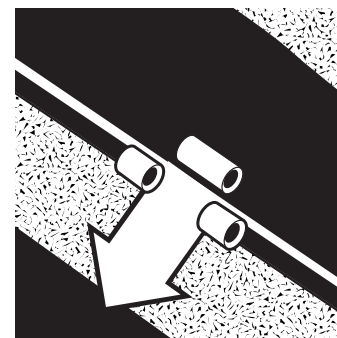

QUICK START

- 1** Open the box by the top. Turn the box over and slide the box up off of the unit.*

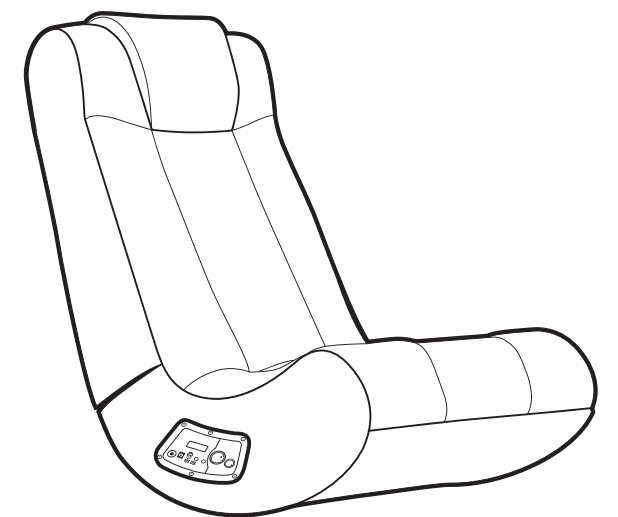

• Do not let the unit fall out • Do not grab sides, which may lead to accidental speaker damage.

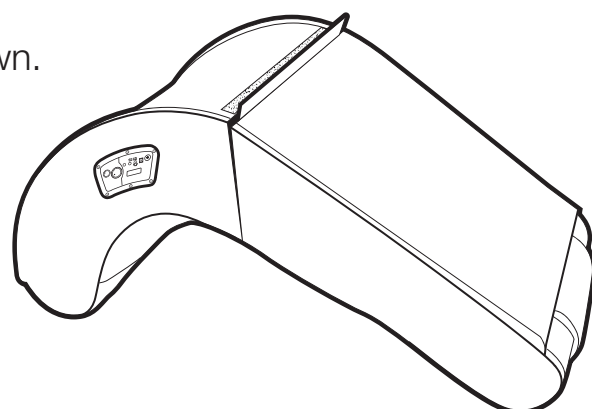

- 3** Insert pin into closure. Pull and attach the flap to hide the pin and closure.

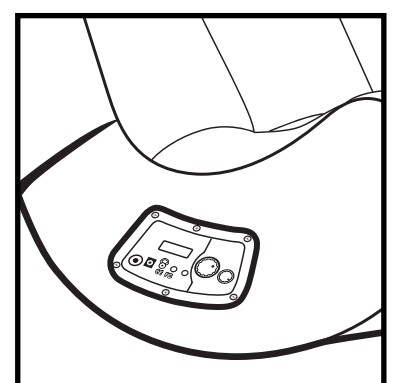

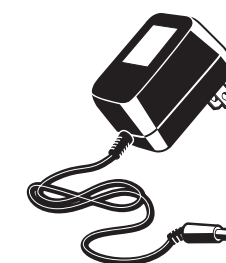

- 4** Carefully turn chair over.

- 2** Unfold and set the unit on the ground. The seating area should be facing down.

- 5** Plug in the power adaptor to power outlet, then to the power pack on the control panel.

Having trouble setting up your VRocker?

Check out the included booklet for more details.

If you don't find what you need, go to www.xfunctional.com.

Still need help? E-mail customer service from the website.

If all else fails, call the customer support center at 1-866-969-2603.
