

READ BEFORE ASSEMBLY

Contents:

- Foam Capsules (vacuum packed)
- Liner with Child –Proof Zipper
- Designer Cover

Setup:

1. Unzip Cover
2. Position in desired area. (room, location)
3. Place sealed foam capsules inside the cover
4. Cut Capsule from the sides (like slicing a cantaloupe)
5. Use box cutter to slice capsules open (be careful not to cut the liner)
6. Remove empty plastic quickly
7. Repeat as necessary
8. Zip liner closed
9. Knead the foam (from outside of the liner)
10. Twist off Child-Proof Zipper Pull (use a paperclip on zipper to re-enter liner)
11. Place cover over liner
12. Align zippers and close
13. Roll, Bounce, and have fun
14. Allow 24 hours for full expansion (flip occasionally during 24 hour period)

Cover is machine washable with cold water and cool dry.
